

REMARKS

This Application has been reviewed in light of the Office Action mailed May 31, 2006. At the time of the Office Action, Claims 1-20 were pending in this Application. Claims 1-20 were subject to an election/restriction requirement.

Applicants hereby elect to prosecute Group I, Claims 15-20 drawn to an information handling system and an apparatus. Claims 9-14 are hereby withdrawn from consideration.

Applicants further elect Specie I as the species for immediate examination pursuant to the species restriction requirement also set forth by the Examiner. The claims that read on Specie I include claims 1-2, 4-8, and claims 15-18. Applicants reserve the right to request consideration of non-elected species in the present application upon allowance of a generic claim. Applicants submit that the following claims are generic because they read upon all of the identified species: Claims 1-2, 4-8, and 15-16.

CONCLUSION

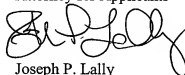

Applicants believe they have complied with the restriction requirement. Applicants respectfully request consideration of the application and allowance of the pending claims.
